COMPANY PROFILE

YOUR BESPOKE COMPOSITE
PARTNER

ABOUT JOINERY WORKS

***JW** industries based in Riyadh-KSA, is a premier joinery works company specializing in the creation of bespoke composite items. We expertly combine wood, metal, stainless steel, marble, acrylic, aluminum, and glass to deliver tailor-made solutions for the interior fit-out needs of commercial projects. Whether in hospitality, F&B, corporate, or more, our commitment to quality and innovation ensures that every piece we produce enhance the aesthetic and functional value of your space. With **JW** Industries, expect precision, craftsmanship, and a dedication to realizing your vision.*

OUR MISSION & VISION

To craft bespoke composite items that seamlessly integrate diverse materials to fulfill the unique interior fit-out needs of our commercial clients, ensuring excellence and precision in every project.

To be the leading innovator in joinery works, renowned for transforming spaces through exceptional craftsmanship and cutting-edge design solutions across the commercial sector.
